

# MINORITY LIST OF AUSTRIA - DANUBE FEDERATION

The "Minority List of Austria - Danube Federation" (Minderheitenliste Österreichs - Donauföderation) is an Austrian political party, officially registered in the party register of the Austrian Federal Ministry of the Interior since 29 December 2025 with the register number 502149.

- A mixture of regionalist minority party with aspects of political satire.
- Roots in the global community of micronations.
- Support for the Manifesto of the European Pirate Party.
- A tongue-in-cheek look at the history of the Austro-Hungarian monarchy, combined with a serious commitment to the Republic of Austria as a modern multi-ethnic state in which the Czech, Slovak, Croatian, Hungarian, Slovenian and Romani languages are 100% equal to the German language.
- A strong commitment to a decentralized federal united Europe that primarily serves the interests of its citizens, not large corporations.
- Friendly connections to Pastafarianism and Duckology.
- The Minority List of Austria - Danube Federation is not meant to be a concurrence for the Pirate Party of Austria. On the contrary. We are seeking electoral alliances with the Pirate Party of Austria and other progressive forces.
